 **WEBINAR**

Part II. Importing into the USA

Pacific Customs Brokers is hosting part 2 of its webinar series *Importing into the USA* on Thursday, February 27, 2014. This 45 minute session delves further into the topics previously covered in the webinar *Basics of Importing into the USA*, part 1. It is recommended you attend part 1 of this series before joining part 2. In this session, we will cover several international shipping must-knows such as: classification, duty assessment, benefits of free trade agreements, importer security filing and ACE eManifest. We will also expand on compliance, accurate Customs documentation completion, and possible risks of non-compliance. At the end of the session, we will allow time for questions and answers.
