Advance Commercial Information (ACI) eManifest for Highway Carriers

Highway carriers transporting goods into Canada are required to transmit cargo and conveyance data electronically to the CBSA a minimum of one hour before the shipment arrives at the border.

## **Monetary Penalties for Non-compliance**

Contravention	1st Penalty 🐇	2nd \$\circ\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\square\squar	3rd Š Penalty Š
Failure to submit ACI eManifest	\$2,000	\$4,000	\$8,000
Failure to submit ACI eManifest in the prescribed time or manner	\$250	\$375	\$750
Failure to submit correction	\$500	\$750	\$1,500
Submission of untrue, inaccurate or incomplete information	\$500	\$750	\$1,500
Failure to comply with CBSA notification	\$1,500	\$4,000	\$8,000

There is a possibility that the conveyance will be denied entry.

The ACI program provides the Canada Border Services Agency with electronic pre-arrival cargo and conveyance information so they can identify

threats related to commercial goods before the goods arrive in Canada.

## Measures to be taken to avoid these penalties:

- Understand ACI eManifest requirements
- ► Comprehensive compliance monitoring
- Record keeping system

## ACI eManifest Filing Services
