Mare's Condition:		
Mare's Disposition:		
Do we have permission to tranquilize your mare? <input type="radio"/> Yes <input type="radio"/> No		

- All mares ***must*** have shed form & proper identification when being presented for breeding (halter or neckstrap with her name.) Mares will not be bred without this form of identification.
- Uterine cultures, when required, must be taken within 30 days for 1st trip and subsequent to the last breeding date for the 3rd and following trips. A negative (Class 1) uterine cytology may be substituted in lieu of a uterine culture.
- NATHC will make every reasonable attempt to impregnate your mare but reserves the right not to breed the mare at any given session if the mare is deemed a danger to the stallion and/or staff.
- Mares must be vaccinated for EHV1 7-90 days before breeding. Date Vaccinated _____
